

1 YOUR BRD PRODUCTS

In homepage you will see your BRD products. You can click on any product that you want (current account, saving account, term deposit or credit card) and you will be directed to its details and transactions list page.

2 TRANSACTIONS LIST

Under the account details section you will find the transactions list, the newest ones are the first displayed. Also, in this section you can search for a specific transaction or you can use the filter option.

3 FILTER YOUR TRANSACTIONS

You can choose to filter your transactions by amount, date and category (debit or credit). You can export in a PDF format all your transaction, you just have to click on "Export" button.

4 TRANSACTION DETAILS

Just click on the transaction name and its details will show up. You can download in a PDF format all the information by clicking on the "Download PDF" button.
